Tickets \$150 per person

Sponsorships available; Cocktail attire

To purchase tickets, visit www.KYNaturePreserve.org

Creasey Mahan Nature Preserve's second annual Butterfly Ball will be held on May 29, 2020 at our picturesque and gorgeous site in Goshen, Kentucky. Many guests said, **"This was the best gala I've ever attended!"** The evening will feature delicious cocktails with an open bar in the Woodland Garden, a live jazz quartet, an exquisite dinner, auction items and a butterfly "experience" for all. WAVE 3's multiple Emmy-award winner, Shannon Cogan, will be our Master of Ceremonies. Join us for this unforgettable evening!

This special gala will bring together friends and neighbors with the inspiring purpose to raise funds to *complete* the wheelchair-accessible Forest Friends Playground, which is always free and open to the public. We want children of all abilities to play alongside their friends and family. Creasey Mahan provides "nature for all" and is a treasured gem for all who visit.

As a public charity (Federal Tax I.D. #31-0908496) that serves 50,000 visitors every year, visitors enjoy nine miles of trails along 170-acres of rolling hills and grasslands. Creasey Mahan offers Kentucky's first nature-based THRIVE Forest School, and serves the community through school field trips, with recreational fields for team practices, and by offering annual community-events that bring nature and community together.

To purchase tickets or sponsorships, visit www.KYNaturePreserve.org or call 502.228.4362.
