Butterfly Ball

Friday, May 31, 2019 from 6:00 to 10:00 p.m.
Tickets $150 per person

Our 1st Butterfly Ball Gala is our annual fundraiser, which will benefit our ADA-accessible Forest Friends Playground project and will be held at the scenic Creasey Mahan Nature Preserve. The evening will feature cocktails in the Woodland Garden, an open bar, live music with The Ron Jones Quartet, farm to table cuisine, a live and silent auction and a butterfly release.

Creasey Mahan Nature Preserve is a public charity that served almost 50,000 visitors last year alone, with 170-acres of rolling hills and grasslands, an ADA-accessible playground, the area's first nature-based Thrive Forest School, educational programs that serve thousands of children a year, and community-events that bring nature and community together.

Join us for this unforgettable evening! To become a sponsor, email Tavia@KYNaturePreserve.org or call (502) 228-4362.
