The fees are noted above. Please know that this fee helps the Preserve, a public charity, offset the high costs of holding events. *Non-profits are no charge at the first two events, but we must charge for the Christmas event due to the cost of the tent.* Please make your check payable to "CMNP." Once we know what events you will attend, Tavia Cathcart Brown will email you the appropriate setup information per event.

**3. Please donate a silent auction basket.**

If it is not a hardship, we strongly encourage you to donate a silent auction item valued at least at \$25 at the Family Fun Day and Christmas events. This is how we pay for the events and as a public charity, it is extremely important. Thank you!

**4. FREE Haunted Hike opportunity: Yes\_\_\_\_\_ No\_\_\_\_\_ More Info\_\_\_\_\_**

As an additional promotion, you may sponsor one of our 18 treat stations along the Fantasy Kiddie Trail, that range from a princess castle, to Little Miss Muffet, the Gingerbread House, the glow-in-the-dark tunnel and more. Provide us a push-in sign to promote your company/org and candy for volunteers to hand out. Bring your own volunteers, if you want.

BOOTH SETUP NEEDS? Most of our booth spaces do not allow electricity, but we can make exceptions. The same applies to water usage. If you have special requirements for your booth, please let us know in advance. Most booth spaces allow for a 10'x10' pop-up tent and all booths are outside on a level surface. The exception is that for The Nature of Christmas in Goshen event, booths are located inside a heated tent and so the space is limited to a 6'x6' space. Please describe your booth's requirements:
